Firstly we would like to welcome the management team, players, committee and supporters of both Hoddesdon Town Football Club and FC Parson Drove to our shared home here at Coggeshall Town. We hope you have all had good trips here and all have a safe journey home.

After some long and testing away trips, 5 of the last 6 have been away we now have a run of 4 home fixtures.

Since we were last here against Leiston U23s we went to early leaders Harwich & Parkeston and despite going down to 10 men before half time we only lost 1-0. There was a lot of positives in the display as the man advantage didnt show and we deserved more from the game. We even held firm when going down to 9 men near the end. Then on Saturday we had a 3-0 win at Holbeach.

Congratulations to the Ladies first team on winning in the FA Cup and they are at home (Shrub End) in the next round v Aylsham (Norwich) on Sunday 22nd.

The Mens Reserve team won away at East Thurrock 2-1 on Saturday while the Under 23s had a first ever competitive win 3-1 against FC Clacton. Both the Mens Reserves and Under 23s are playing home games at Stanway School at all support is welcome. Fixture details are in this programme.

Enjoy the game(s)

FAMILY FRIENDLY
FOOTBALL CLUB
Thurlow Nunn League

DORKING WANDERERS owner Marc White, pictured-took to the club's official twitter account on Monday week ago following the FA Cup second round qualifying draw.

"Good luck to Horsham in the third qualifying round," joked the colourful Wands boss, who has taken the club from park football to the top of the Non-League Pyramid.

Since first entering the competition in 2013, Dorking Wanderers are yet to reach the first round proper.

For the last two seasons – because of their then Step 1 status – White's side had a bye until the fourth round qualifying stage.

Last year, with just one win required to reach the first round, they were drawn away to...you guessed it, Horsham. The Step 3 Hornets beat them 2-0 and went on to earn a famous 3-3 draw against Barnsley and a televised replay.

They were then reinstated after their League One opponents were found to have played an ineligible player and had a second bite of the cherry against Sutton United.

So White, with his trademark humour, is expecting the worst for his side when they meet next weekend with the National League North and South clubs now entering the competition.

At the time of writing there are still some replays to be sorted but the latest draw has thrown up some intriguing games.

The first round is still three ties away but, over the coming weeks, eyes will widen as it gets nearer. For many clubs, even getting to this stage feels like making it.

How about Newcastle Town drawing former EFL side Scunthorpe United?

The National League North leaders only dropped two points in their first six games, but they haven't won an FA Cup tie since 2018.

Newcastle, 15th in NPL West, beat Long Eaton United last Saturday. They've not reached the third

qualifying round since 2010. Nails & Tickenham hosting Chippenham Town is another tie that stands out.

It's only Nailsea's second season in the competition, and they've landed a plum draw against a side three divisions above them. Having beaten Cinderford Town, Reading City and Hartpury University, they won't roll over against the Bluebirds.

West Didsbury & Chorlton welcoming Darlington catches the eye too, as does Shifnal Town hosting Redditch United, while Wessex League AFC Stoneham take on Step 2 Salisbury.

Talking of good cup runs, Maidstone United's run to the last 16 was the FA Cup story of last season. That adventure began at Steyning Town Community. This time it starts against fellow National League South Hampton & Richmond Borough.

Who will make it through to the third round qualifying? Other than Horsham, of course!

1879

The club was established on 14 April 1879 as Hoddesdon Football Club. In 1885 they were founding members of the Hertfordshire County Football Association and won the inaugural Herts Senior Cup in 1886–87.

The club retained the cup the following season and won it again in 1889–90. They were founder members of the East Herts League in 1896, merging with Hoddesdon Wanderers and Broxbourne Club in the same year. In 1903 the club absorbed another club, Rye Park.

In 1908 Hoddesdon joined the Eastern Division of the Hertfordshire Senior County League. The division was renamed the Central Division for the 1909–10 season, before reverting to its former name the following season.

The club finished bottom of the division in 1912–13, but were divisional champions the following season. In the inter-divisional championship play-off, they finished last.

In 1920 the club was renamed Hoddesdon Town. They were placed in the North-East Division for the 1921–22 season following league organisation, before the league was reduced to a single division in 1923.

Hoddesdon joined Division Two B the Spartan League in 1925. They won the division in 1928–29, but league reorganisation meant no promotion and the club was placed in Division Two East the following season. They were

Division Two East runners-up in 1931–32, earning promotion to Division One.

The 1935–36 season saw the club win Division One, resulting in promotion to the Premier Division. However, they finished second-from-bottom of the Premier Division the following season and were relegated back to Division One.

After World War II the club were placed in the Central Division for the 1945–46 season, with a sixth-place finish seeing them earn a place in the Premier Division for the following season.

Hoddesdon were relegated after finishing bottom of the table in 1949–50, but were promoted back to the Premier Division at the first attempt.

They finished bottom of the table in 1958–59, 1959–60 and 1962–63, but were runners-up

in 1964–65 and went on to win the league title in 1970–71, a season that also saw them win the Spartan League Cup and the Herts Charity Shield.

The club were league runners-up in the next three seasons, retaining the League Cup and the Charity Shield in 1971–72.

In 1974–75 they were the first-ever winners of the FA Vase, beating Epsom & Ewell in its inaugural final at Wembley Stadium.

The club left the Spartan League to the Athenian League in 1977, but when the league was disbanded in 1984 they were refused entry to the Isthmian League as they did not have use of their Lowfield ground all year round,^[9] and instead joined the Premier Division of the South Midlands League.

In 1985–86 Hoddesdon won the South Midlands League Challenge Trophy, retaining it the following season and winning it again in 1991–92.

The club remained in the Premier Division until 1997 when the league merged with the Spartan League to form the Spartan South Midlands League, with Hoddesdon placed in the Premier Division North for a transitional season; a fifth-place finish in the league's first season saw them earn a place in the Premier Division the following season; the season also saw them win the Premier Division Plate.

In 2004–05 Hoddesdon finished bottom of the Premier Division and were relegated.

HODDESDON TOWN FC

A third-place finish in 2012–13 saw them promoted back to the Premier Division. In 2016–17 they won the Premier Division Cup, defeating Wembley 1–0 in the final.

At the end of the 2017–18 season, Hoddesdon were transferred to the Essex Senior League. They won the league's Len Cordell Memorial Plate in 2020–21, defeating Woodford Town 3–0 in the final.

The club were transferred back to the Premier Division of the Spartan South Midlands League for the 2022–23 season. They finished second-from-bottom of the Premier Division and were relegated to Division One South of the Eastern Counties League.

Ground

The club is thought to have initially played at Mansers Field, although by 1882 they had moved to Lowfield. Lowfield had previously been home to a cricket club, which continue to play there.

The ground was originally an arable field owned by Robert Barclay, who donated the land and was involved in setting up the cricket club in 1879. The site was purchased by a trust in 1924, before being taken over the urban district council, with ownership later transferring to Broxbourne Borough Council.

Between 1952 and 1954 the club played at Essex Road as the Lowfield site was being levelled to allow for separate cricket and football pitches. Floodlights were installed in 1973 and inaugurated with a

friendly match with West Ham United on 7 March, a game that attracted a record crowd of 3,500.

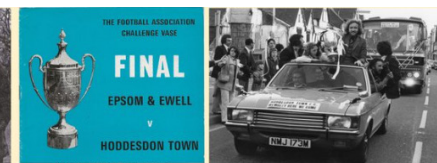

The football pitch was moved further south in the early 1980s to prevent overlapping with the cricket oval, with floodlight pylons having to be moved and the original 100-seat stand now being at one end of the pitch rather than on the halfway line; in 1996 it was discovered to contain significant amounts of asbestos and was condemned. A new stand was opened the same year and seats from Burnden Park were installed the following year.

A 100-capacity covered stand was opened in 2014 and another 50-seat stand was installed in 2016.

1921 ?

Although the history of a Parson Drove club starts in 1921 to current club was formed in 2017.

The club was properly established in the village of Parson Drove in 1921 by the headmaster of the local council school. After World War II the club played in the Peterborough & District League and also started entering the FA Cup.

After winning Division One in 1948–49, the club were the first champions of its Premier Division in 1949–50. Although they were relegated later in the 1950s, the club won Division One again in 1959–60 and returned to the Premier Division.

Parson Drove saw a sustained period of success in the 1960s and 1970s, winning the Premier Division in 1966–67, 1967–68, 1968–69, 1969–70, 1970–71 and 1973–74.

They also won the Cambridgeshire Invitation Cup in 1969–70 and 1972–73, as well as the Cambridgeshire Challenge Cup twice and the Peterborough Senior Cup four times. In the late 1970s and early 1980s the club began entering the FA Cup again and also played in the FA Vase for three seasons.

In the 1979–80 FA Cup the club went on a remarkable run that included defeating Southern League clubs Chelmsford City and King's Lynn, with the 2–0 win over Chelmsford labelled City's worst ever performance. In 1988 they made a late

application to join the new Division One of the Eastern Counties League, but were rejected. With their ground in a poor state and a lack of interest from the public and players, the club was then disbanded.

On 2 March 1992 the club was resurrected following a meeting by village residents and re-entered the Peterborough & District League in Division Six.

They returned to the Premier Division after winning Division One in 2003–04. Midway through the 2013–14 season, the club folded, and had their results expunged from the league.

A new Parson Drove club was established in August 2017 when Peterborough & District League Division Two club Wisbech St Mary Saints (who had been formed earlier in

TO 2024

the summer) moved to Parson Drove and were renamed to FC Parson Drove.

The new club went on to win the Division Two title, earning promotion to Division One, as well as the Cambridgeshire Junior Cup and the North Cambridgeshire Junior Cup.

The 2018–19 season saw Parson Drove win the Division One title, resulting in promotion to the Premier Division.

At the end of the 2020–21 season the club were promoted to Division One North of the Eastern Counties League.

The reformed club entered the FA Vase for the first time in 2021–22.

Ground

Prior to World War I the club played on the Butchers Arms Field and at Woadmill Grassfield. Due to a lack of a suitable venue, after the war the club moved to nearby Murrow for two seasons.

They returned to Parson Drove to play at some land at Clough's Cross Farm before moving to a field in Fen Road, known as Down the Fen in 1930. In 1975 a new playing field was opened on Main Road, and the club moved to the ground.

Stanway Pegasus Football Club was derived from the most successful Sunday League side in Colchester history, AFC Pegasus, who won an incredible 64 honours over a period of 30 years with Paul and Heather Booth at the helm for every one of them.

AFC Pegasus in turn was created from Pegasus Youth in 1985 who had a great history in the Colchester Youth League for many years dating back to the early 1970's with the founder being Mr Peter Peters.

When Paul and Heather stepped aside a new era was about to begin and the transition from Sunday League to Saturday football for the senior team in 2018 opened the door for the return of the youth set up at the club.

With passion and drive to succeed than ever before, both off and off the pitch, we were ready to start that new era. With various youth and men's teams in full swing, our vision is to be one of the biggest clubs in Essex that has men's teams competing at a high level of non-league football who lead the way for the youth set-up. This youth set-up will progress through their age groups starting at U6's, all the way through to U18's.

This is what we call 'The Pathway'. Although player development is a key aspect of our philosophy, the aim for the youth is to enjoy playing football for Stanway Pegasus and looking at the talented home grown youth squads we have, boys and girls the future is looking very good under the guidance of our Head of Youth Ray Turner (Pictured).

The Club prides itself hugely on former and current players plus youth managers taking

up major roles within the Club whilst surrounding ourselves with people we trust.

Soon to be added to the Pegasus family were the women, girls and recently the Vets as the club proudly sits at over 30 teams have been the fastest growing Club in the area and success is no stranger with many league titles and promotions along with cup success the Club is blossoming into a huge success story and long may it continue.

Senior football for the men's first team was secured for the first time at the end of the 2021 /22 season with the team gaining promotion from Essex and Suffolk Border Premier League where they went unbeaten winning the league with 98 points from 34 games scoring 126 goals in the process.

They also beat Tiptree Heath 1-0 in the League Cup Final at Little Oakley. Max Booth was the Division's top goal scorer with 34 (26 league and 8 Cup)

2022/23 Season saw the team in the Eastern Counties Division One South where we narrowly lost out on promotion at the first attempt via a penalty

shoot out after a 2-2 draw against Sporting Bengal.

Although heartbreaking at the time looking back and what a debut season for the club in senior football. Callum Griffith was the Division's top goal scorer with 32 (29 league and 3 Cup / Play offs)

Rosi Webb has been a revelation for our club during this period being the Men's 1st team manager while also playing in the successful ladies' teams she is Mrs Pego and quite rightly getting the accolades she deserves.

From the 2023/24 Season the Men's first team moved sideways from the Eastern Counties Division One South division to the North division while the Men's Reserve team are competing in the Essex and Suffolk Border League's Premier Division.

The ladies have been just as successful in a short period of time with winning the Essex County Woman's Premier League piping by 2 points local rivals Stanway Rovers to seal back to back promotions that now see them competing in the Eastern Region League for the first time as the club looks to push on in all fronts.

A Ladies reserve team was started up and joined the Essex County Woman's League Division 3.

The club also entered the FA Vase for the first time playing six matches beating Haverhill Borough, Takeley, Halstead Town, Barkingside and London Lions before falling to Romford in the 4th Round proper.

The first team season end in Play Off defeat for a second season running, this time 3-0 at Holland FC in the Semi Finals.
