Firstly we would like to welcome the management team, players, committee and supporters of Wivenhoe Town Football Club to Coggeshall Town. We hope you have all had good trips here and all have a safe journey home.

Some fixture updates. Tuesday evening was interesting, a good very hard fought game in wet conditions, but we may have to do it again. The below was recived from Essex FA Wednesday morning.

During the Saffron Walden v Stanway Pegasus Essex Senior Cup tie on Tuesday the referee issued a sin bin to a Stanway Pegasus player, contrary to competition rules. This has been confirmed to us by the match referee. The score at the time of the sin bin of the Stanway Pegasus player was 2-2, with Saffron Walden Town winning the tie 3-2.

This matter has been referred to a sub-Group of our Council who have ruled that as a consequence, this match will be replayed in full in accordance with Senior Cup rule 20(E)(vi) copied below: 20(E)(vi) If, upon a protest raised from a Club, or otherwise, the Competition Secretary is made aware that a match has not been played in accordance with the Rules of the Competition or the Laws of the Game, the Council may order the match to be replayed.

The Competition Secretary shall have the power to order the replayed Competition match to be played on a neutral ground or on the opponent Club's ground if they are satisfied that such action is warranted by the circumstances. In this circumstance, the tie will remain on the home ground of Saffron Walden and will be played on Tuesday 15 October, kick-off 7:45pm. The subsequent R2 tie, Saffron Walden / Stanway Pegasus vs Great Wakering Rovers will be played in week commencing 21 October. **Despite the above we have asked for the result to stand and at the time of writing await a respose from Essex FA.**

Also in the league Leiston away will now be play on Saturday November 23rd and Framlingham at home will be played on Saturday March 1st.

The Ladies first team have what is the biggest game Stanway Pegasus Ladies have had in our clubs history tomorrow when they travel to London Seaward in the FA Cup 3rd Qualifying round. And everyone wishes Luke Worley, Sophie Thorpe and all the payers the best of luck.

1925

TO 2024

WIVENHOE TOWN FC

The club was originally formed in 1925 as Wivenhoe Rangers by Frank Slaughter and half a dozen students from Colchester Grammar School, but did not enter competitive football until 1929 when they became members of the Brightlingsea & District League, finishing 3rd in their inaugural season. Runners-Up in 1931/32, they gained their first honours the following season by winning the League Championship after going the entire campaign undefeated.

More Recent History The last 20 years

2004/2005 saw Wivenhoe finish 5th in the League after being beaten in the play-off semi-final by Uxbridge. Dragons also had their best FA cup run for a number of years which ended with them being beaten in the 3rd Qualifying Round by Conference League South team Hayes.

Season 2005/2006 saw the Dragons go one better than the previous year by reaching the Southern League Play-off final against Stamford which saw them beaten 2-1. They were narrowly defeated 4-3 on penalties after extra time by Thurrock in the 4th round of the Essex Senior Cup.

In 2007/2008, following the departure of Manager Steve Pitt & his assistant Steve Wignall (the former Colchester United Manager), Malcolm Price & Nick Alston were promoted from Reserve to First Team management duties. After an indifferent start, Richard Carter joined the management team and although they

began to pick up points, the side finally succumbed to relegation, to the Eastern Counties Premier Division.

Season 2008/2009 saw Carter sign a host of promising football league youngsters and the side started the season with a bang. But not for the first time in the Clubs history, purse strings were tightened with the Clubs budget slashed and Richard Carter was dismissed. In October the Club held an EGM, inviting anyone interested in getting involved and the local village responded.

A Save Wivenhoe Town Group was formed by the local community to save the club, and to establish and build a reputation as a home for both sporting and non-sporting activities, for people within the immediate envelope. A new committee was formed, and Julian Dicks, the ex-West Ham United, Liverpool & England B international was installed as the Clubs first team manager. Despite a barren run of results, the team managed to pick up a vital 10 points and avoid a second successive relegation.

With finances incredibly tight the following season saw the appointment and removal of Neil Northcott and Paul Sibbons as managers before Mo Osman secured the job in September. The 2009/10 season saw Wivenhoe predictably finish bottom of the Ridgeons Premier Division with 8 points, however with the departure of Harwich Town

due to financial difficulties and promotion of Needham Market the club were saved from relegation. The 2009/10 season was also marked by a brief eviction from Broad Lane following a dispute with the WDSF Trust, the Dragons were forced to play one home game in Harwich before a resolution was found.

2010/11 saw Wivenhoe Town again with no budget but with a commitment lead by Mo Osman to develop young local talent. The team gained a respectable 32 points to finish 3rd from bottom of the league and avoid relegation through the promotion of Leiston. The close season also saw the establishment of a full youth set up which meant for the first time in it's history the Club has teams representing the club all the way from Under 7's to Under 18's.

Season 2011/12 saw Mo Osman remain in charge of the third season running, not something we have been able to say for many years about a first team manager!. This though was all part of the continuing signs that the Club is becoming more stable once again and building stronger foundations for the future.

The Season itself saw the Dragons finish third from bottom, but once again receive a reprieve to stay in the Premier Division for Season 2012/13 due to no Clubs being relegated into the Division following Wroxhams well deserved promotion.

Early on into the Season Chairman Carl Callan stepped

down following two years of hard grind with several other faces who helped to ensure the Club is still standing. Mo Osman eventually became the Clubs 'caretaker' Chairman until formally taking on the role in the summer of 2012.

The first teams performances were a mixed bag but show impressive improvement as the season wore on, narrowly missing out on that vital forth from bottom spot.

Season 2012/13 saw the Dragons compete in the newly sponsored Thurlow Nunn Premier Division, still under the guidance of Manager and 'Caretaker' Chairman Mo Osman. The Club continued to make huge strides on and off the field of play but unfortunately missed out on safety by 5 points but received once again received a reprieve.

2013 / 2014 saw the Dragons again finish in the bottom three by five points and again receive another reprieve.

The 2014 / 2015 would be Wivenhoe's last in the Premier Division as despite securing 37 points the Dragons finished three points from safety and were relegated to the Thurdlow Nunn First Division.

During the summer Mo Osman brought ex-dragon Ray Turner back to Broad Lane as player/assistant manager and what an inspired move that turned out to be. Wivenhoe bounced back to the Premier Division at the first attempt by winning the Division One Championship and Turner finished the Divisions top scorer.

The Dragons remained unbeaten in the league until early March (only two other Clubs in the entire English non-league pyramid from steps 1 to 6 better their record), as they landed their first league title for 26 Years.

An excellent start to the 2016/17 season was brought to an erupt halt by the departure of most of the title winning squad to other local clubs, the Dragons eventually finished third bottom and were again reprieved by the FA. After a difficult start to the 2017/18 season, manager Mo Osman decided to stand down after more than 8 years in charge.

Chris Hudson was appointed as his successor in December 2017 but he was sacked at the end of the season as the sides fortunes failed to improve. Wivenhoe finished bottom with 17 points and were relegated to a new Essex based First Division South. James Meadows was appointed manager in the Summer.

Eventually suffering relegation again at the end of 2017//18. Meanwhile the Club continued to work hard on it's youth setup and in November 2016 become a football association charter standard club with teams ranging from under 7's upwards.

The Dragons returned to 'Step 6' football as members of the newly formed Thurlow Nunn Division One South, however their fortunes did not improve and there was the very real prospect of relegation back to the Essex and Suffolk Border League in 2018/19 until Gary Monti was appointed first team manager with nine games remaining (eight of which were away from home).

Six wins, two draws and just one defeat saw disaster avoided. Corona Virus put the world on hold and brought an early end to the following two campaigns and Gary's first full season in charge saw him lead the Club into the 2021/22 playoffs where Wivenhoe were unfortunate to lose 2-3 at Buckhurst Hill in the semi's.

The 2022/23 season was Gary Monti's last in charge, the club flirted with relegation before good end of season from saw the Dragons eventually finish in 15th. The Dragons also reached the final of the Tolleshunt D'Arcy Memorial Cup but lost 5 - 0 to Heybridge Swifts.

In the summer of 2023, the club was transferred laterally to the Eastern Counties First Division North and in 2024 appointed Lionel Toms as first team manager.

WHAT'S THAT noise you hear rumbling in the distance? Ah yes, it's the national media getting ready to start covering the FA Cup from the first round proper.

No Non-League footballer's day job is safe from being shoehorned into any report in a bid to save the romance of the FA Cup. Of course, if you're reading this you know the FA Cup kicked off back in August and the magic has been well and truly alive ever since.

And while, yes, the first round proper is drawing ever nearer, the fourth round qualifying round as thrown up some mouth-watering ties.

We've said for quite a few years now how this stage of the competition – and even those before it considering the size of some Step 2 clubs – almost has a first round feel in itself.

Biggleswade v York City jumps off the page in a northern section of the draw packed with big names with the likes of Scarborough Athletic hosting Chester and Oldham Athletic taking on FC Halifax Town.

Will it be a Big weekend in Bedfordshire? Biggleswade Town are still in the hat with their postponed replay against Alfreton Town due now scheduled for Tuesday after a midweek washout. The winners host Spennymoor Town.

Hednesford Town are a big Non-League name now under the charge of another big Non-League name in Steve King. The Step 4 side entered right at the very start in the extra preliminary round and, thanks to a 1-0 win over Shifnal Town on Tuesday, will now host Step 1 Gateshead.

And how about Step 5 Bury fresh from their win at National League North Radcliffe at the weekend? They travel to Harborough Town who are looking to create their own history by reaching the first round for the first time.

In the southern section of the draw we're waiting to see whether Bishops Cleeve can add Chesham United to their scalps in the rearranged replay on Tuesday with Yeovil Town awaiting the winners. Suffolk side Leiston beat Hornchurch in extra time on

Tuesday to set-up a home date with National League Dagenham & Redbridge, while Chertsey Town host Sutton United.

Horsham enjoyed a fairytale run last season, drawing 3-3 with Barnsley before losing the replay and then being reinstated after the Tykes were found to have played an ineligible player.

They welcome Step 4 Gorleston, who have just dumped out St Albans City. The last time they reached the first round was in the 1957-58 season! If they get there, surely that's worth a piece in the papers...

Stanway Pegasus Football Club was derived from the most successful Sunday League side in Colchester history, AFC Pegasus, who won an incredible 64 honours over a period of 30 years with Paul and Heather Booth at the helm for every one of them.

AFC Pegasus in turn was created from Pegasus Youth in 1985 who had a great history in the Colchester Youth League for many years dating back to the early 1970's with the founder being Mr Peter Peters.

When Paul and Heather stepped aside a new era was about to begin and the transition from Sunday League to Saturday football for the senior team in 2018 opened the door for the return of the youth set up at the club.

With passion and drive to succeed than ever before, both off and off the pitch, we were ready to start that new era. With various youth and men's teams in full swing, our vision is to be one of the biggest clubs in Essex that has men's teams competing at a high level of non-league football who lead the way for the youth set-up. This youth set-up will progress through their age groups starting at U6's, all the way through to U18's.

This is what we call 'The Pathway'. Although player development is a key aspect of our philosophy, the aim for the youth is to enjoy playing football for Stanway Pegasus and looking at the talented home grown youth squads we have, boys and girls the future is looking very good under the guidance of our Head of Youth Ray Turner.

The Club prides itself hugely on former and current players plus youth managers taking

up major roles within the Club whilst surrounding ourselves with people we trust.

Soon to be added to the Pegasus family were the women, girls and recently the Vets as the club proudly sits at over 30 teams have been the fastest growing Club in the area and success is no stranger with many league titles and promotions along with cup success the Club is blossoming into a huge success story and long may it continue.

Senior football for the men's first team was secured for the first time at the end of the 2021 /22 season with the team gaining promotion from Essex and Suffolk Border Premier League where they went unbeaten winning the league with 98 points from 34 games scoring 126 goals in the process.

They also beat Tiptree Heath 1-0 in the League Cup Final at Little Oakley. Max Booth was the Division's top goal scorer with 34 (26 league and 8 Cup)

2022/23 Season saw the team in the Eastern Counties Division One South where we narrowly lost out on promotion at the first attempt via a penalty

shoot out after a 2-2 draw against Sporting Bengal.

Although heartbreaking at the time looking back and what a debut season for the club in senior football. Callum Griffith was the Division's top goal scorer with 32 (29 league and 3 Cup / Play offs)

Rosi Webb (Pictured) has been a revelation for our club during this period being the Men's 1st team manager while also playing in the successful ladies' teams she is Mrs Pego and quite rightly getting the accolades she deserves.

From the 2023/24 Season the Men's first team moved sideways from the Eastern Counties Division One South division to the North division while the Men's Reserve team are competing in the Essex and Suffolk Border League's Premier Division.

The ladies have been just as successful in a short period of time with winning the Essex County Women's Premier League piping by 2 points local rivals Stanway Rovers to seal back to back promotions that now see them competing in the Eastern Region League for the first time as the club looks to push on in all fronts.

A Ladies reserve team was started up and joined the Essex County Women's League Division 3.

The club also entered the FA Vase for the first time playing six matches beating Haverhill Borough, Takeley, Halstead Town, Barkingside and London Lions before falling to Romford in the 4th Round proper.

The first team season end in Play Off defeat for a second season running, this time 3-0 at Holland FC in the Semi Finals.
